

Dear Parents,

Conferences will be held in November this year and will combine goal setting with discussions of progress made during the first trimester. The official conference week is Tuesday, November 7 – Friday, November 17, with a 1:25 student dismissal, excepting Wednesdays, when the dismissal time will be 1:50. This year, Ms. Henderson and Ms. McClure will conference together. Conferences will be tightly scheduled and will be thirty minutes in length. As we will be discussing each student’s trimester progress and setting a goal for the next trimester, every **student *SHOULD* attend** the conference with his/her parents.

Listed below is the conference schedule. ***Shaded slots are times that are unavailable for conferencing.*** Please sign up for **three** times that are convenient for you, and we will select the time that fits the schedule.

Thank you for your support.

Ms. Henderson and Ms. McClure
